Steeton Primary School

LKS2

Autumn 1

Magic Monday

Anna Farbor

We will create a botanical drawing based on the art work of Anna Farbor. We will be ushing the concept of drawing to enhance our skills for shade and tone. We wil use the mediuims of pencils and charcoal to create this effect.

History and Geography

Inventors and Inventions

We will be studying how communication has changed over the years. We will research different inventors from Britain and around the world. We will complete our own historical enquiries. We will make predictions as to what inventions there may be in the future.

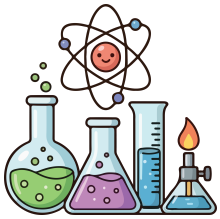
English

This year Fir and Rowan will continue their journey into Curious Quests. Lots of exciting new adventures will begin.
A range of stimuli has been carefully selected for Elder to use, some linking to our Inventions and Inventors topic.

Science

Enquiry week

This week is an introduction for pupils to the five different enquiries that they will be using ove the coming year. These are Observing over time, Research, Pattern seeking, Identifying and classifying and Fair testing. Children will be completing practical activities to show this knowledge all week.



Dates For Your Diary

7.9.26

3:30 - 4:15PM Meet your new teacher
